

## *A Message from The President.....*

*Newsletter Date: August, 2004*

### **Hello Contestants, Committees & Circuit Members:**

I would like to thank the Norco Mounted Posse for a great 2003 Circuit Finals Rodeo.

The venue, support and event proved to be a great success for the circuit. Currently negotiations are underway for Circuit Finals Rodeo 2004 in Norco, California. 2004 Circuit Finals Rodeo is scheduled to take place the weekend of January 14-16, 2005.

Your continued support through sponsorship and financial backing (dues) will help contribute to another successful year. We are continuing to locate new sponsors in order to promote this great rodeo event. If you have any sponsor leads, please contact us so that we may work towards securing their assistance.

Please remember to pay your circuit dues of \$25.00 before November 1, 2004 in order to avoid a dues increase of \$50.00 after that date. Remember that with your paid dues you are eligible for a circuit finals jacket at a reduced cost. Please send your circuit dues to John Kennedy, Treasurer at the following address:

California Pro Rodeo Circuit  
C/O John Kennedy - Treasurer  
2026 Ridgecrest Place  
Escondido, CA 92029

We want to remind the event representatives to secure their event sponsor awards. If you need assistance with this, please do not hesitate to contact your circuit board.

I would also like to take a moment to thank Secretary, Anita Villarreal and all the volunteers who have assisted her with the representation of the California Pro Rodeo Circuit Booth at many of the circuit rodeos this year. If you have time to help, please contact Anita at (310) 930-5555 or stop by the circuit booth at any of the various upcoming rodeos. Your help is GREATLY appreciated!

For your review we have attached the 2003 financial statement in order to show all income and debits for the circuit.

Please remember if you have any questions or issues regarding the circuit you can call me at (619) 954-6052. Thank you for your continued support and help throughout this past year.

VAL JIMENEZ  
President
